CAMP IDEAL POLICY

By registering my child for Camp Ideal I have agreed to the following:

- I understand that all registration fees are due by the first day of Camp unless alternate arrangements have been made.
- I understand that my registration fee holds my camper's space at Camp Ideal.
- I understand that I am ultimately responsible for paying the camp tuition.
- I give my child permission to participate in all on and off-site activities.
- I understand that Camp Ideal and staff do not accept tips or gratuities. Our staff understands this and agrees to adhere to it in their signed contracts. Donations in honor of staff members are welcomed to the Camp Scholarship Fund.
- I agree that Camp Ideal may share my family's contact information with other camp families for communication purposes only unless I indicate otherwise in writing.
- Camp Ideal has permission to use photographs, video, or likenesses of my child for promotional purposes unless indicated otherwise in writing.
- I hereby agree to indemnify and hold the Jewish Federation of St. Joseph Valley harmless from any and all liability.
- I understand that part of the camping experience involves activities and group interactions that may be new to my child and that they come with uncertainties beyond what my child may be used to dealing with at home. I am also aware that my child may participate in off-campus activities such as recreational field trips to local amusements that involve additional risks. I am aware of these risks and I am assuming them on behalf of my child. I realize that no environment is risk-free and so I have instructed my child on the importance of abiding by the camp's rules. My child and I both agree that he or she is familiar with these rules and will obey them.
- As a parent/guardian, I am ultimately responsible for all transportation of clothing, equipment, or personal effects of campers during the camp day or while in transit. CELL PHONES, laptop computers, tablets, and other wireless communication devices ARE NOT PERMITTED in camp.
- I understand that Camp Ideal and does not accept responsibility for loss, theft, or damage of my child's belongings while at, to, and from camp.
- I understand and will comply with the following: Campers are expected to arrive and depart at the appropriate opening and closing times each day of their sessions and to remain in camp for the entire day unless special arrangements are made with the camp director. Having campers come and go during the day is very disruptive to both the camper and the camp community.
- I will make full disclosure of any and all medical, emotional, or social conditions and medications (including medication holidays) that may affect my child's experience at Camp Ideal.
- I understand that if my child is sent home or asked to leave camp for any reason or if I withdraw my child for any reason during the camp week I have signed up for I am not entitled to a refund.
- I understand that I will not be issued any refund for poor camp attendance.
- I understand that the Executive Director of the Jewish Federation of St. Joseph Valley reserves the right to dismiss any camper without refunds who: – Willfully disregards camp rules, or who endangers the camper's or others' safety; – Harms themselves or other members of the community; – Bullies, physically, psychologically, and/or sexually abuses any member of our community; – Destroys camp property or the property of another member of the camp community; – Requires greater supervision than can reasonably be offered by the camp; – Acts in any way which the Executive Director, in his sole discretion, finds to be detrimental to the camp community.
